Acknowledgment

It is statistically clear and is proven that there are certain inherent dangers associated with horseback riding. I, _____, recognize the dangers inherent with horseback riding and Equine Activities. One of those dangers is the risk of suffering serious head injury. I am assuming the hazard of this risk upon the Infant Participant since I made the choice to allow the Infant Participant to ride a horse. I realize the Infant Participant is subject to injury from this activity and that no form of pre-planning can remove all of the danger that I am exposing the Infant Participant to by allowing the Infant Participant to ride a horse. I have been advised that a protective riding helmet (“safety helmet”) could prevent the Infant Participant from serious or permanent brain damage or other head injuries in the event of an accident. On behalf of the Infant Participant, I am **not** relying on Clinician or anyone affiliated with Clinician to provide a certified equestrian helmet or headgear for the Infant Participant, to check any helmet or strap that the Infant Participant may wear, or to monitor the Infant Participant’s compliance with this suggestion at any time - now or in the future. On behalf of the Infant Participant, **if I choose of my own free will for the Infant Participant to wear an ASTM -standard/SEI-certified helmet and headgear, or if I choose of my own free will to not require the Infant Participant not to, this is my decision alone.**

Assumption of Risk

I am fully aware that safety helmets are recommended for Equine Activities and the reasons for why safety helmets are recommended. If I choose to require the Infant Participant to wear a safety helmet and headgear, or if I decide to NOT require the Infant Participant to wear a safety helmet, I choose this on behalf of the Infant Participant with my own free will.

Waiver of Liability

In consideration for the Infant Participant's participation in Equine Activities and my decision to require or not to require the Infant Participant to wear a safety helmet, I, and anyone legally entitled to act on the Infant Participant's behalf, hereby agree to release, waive, discharge, and covenant not to sue **Carson James Horsemanship LLC**, its officers, directors, representatives, agents, assigns, employees, independent contractors, or shareholders; and **Carson James Rhodenizer**, individually for any and all claims pertaining to riding, instruction, or any other Equine Activities including those arising from the ordinary negligence of **Carson James Horsemanship, LLC**, its officers, directors, representatives, agents, assigns, employees, independent contractors, or shareholders; and **Carson James Rhodenizer**, individually. This agreement shall apply to all personal injuries and illnesses, including death, which may result from riding, instruction, handling horses or other Equine Activities.

Indemnification and Hold Harmless

I, and anyone legally entitled to act on the Infant Participant's behalf, agree to forever hold harmless, defend, and indemnify **Carson James Horsemanship, LLC**, its officers, directors, representatives, agents, assigns, employees, or independent contractors; and **Carson James Rhodenizer**, individually for any and all claims, including those arising from ordinary negligence, which may arise out of my actions and failure to require the Infant Participant to wear a safety helmet. This includes, but is not limited to, any economic or non-economic losses, including any and all reasonable attorney's fees, due to any bodily injury, including death, sustained in connection with all activities including riding, handling, and otherwise participating in Equine Activities

Severability and Venue

I expressly agree that this agreement shall be governed by and construed in accordance with the laws of the State of Florida and is intended to be as broad and inclusive as the laws of that State allow. If any portion thereof is held invalid, the remainder of the agreement shall continue in full legal force and effect and that if legal action related to this agreement is brought, it must be brought in an appropriate court of jurisdiction in the State of Florida.
